MEDICAL.

THE PREMATURE DECAY OF YOUTH. JEST PURLISHED BY DR. STONE,

DHYSICIAN to the Troy Lung and Hygeinic Institute, a treatise on the early Decay of American Youth; the Weakness and other diseases of the Sexual Organs in oth male and female. The above work has received the highest commendation from several leading papers of the I'nion as one of he most able over published on this subject of such vital nterest. It is for gratuitons distribution, and it will be mail in a scaled envelop to any parl of the counfree of charge, on recelpt of two stamps for postage.

BE Fail not to send and obtain this book. A Word of Solemn Conscientious Advice to those who will Reflect. It is a solemn fact that 100,000 die annually in the ture decay. There cannot be an effect without an adelife and health, by marasmus or premature exhaustion Seminal Weakness, Spermatorrhees, Gonorrhees, Gleet, in male and female, and Sterility, and organic diseases of the kidneys, and in view of the deceptions which are DuPout's or Hazard's Gunpowder practiced upon the unfortunate victims of such diseases by quacks and base pretenders, the Directors of the Troy tending physician to give medical advice, grafis, to all thents thus afflicted, male or female, who may apply Wholesale Grecers by letter or personally, with a description of their case, as to a true and reliable means of cure. And the Insti-

proximity as would make Parson Brownlow shrick with horror.

Our worthy and highly esteemed (of course, why not?) Mayor arrived home from Charleston last Saturday. It most have been a severe blow to his poor heart, that he was kept from his own, his cherished party. He has, however, one consolation, and that is that he is not exactly green, and that the people of Charleston "didn't take him in."

The Germans still persist in opening the public play-houses on Sunday, in spite of Sunday laws, Yesterday the Odeon was open and Mr. Lindenmaller said that over 8,000 persons had been there

out referring it to Mr. Thompson, the acting Chief Marshal in the absence of Capt, Rynders, for his direction in the case, as they had been instructed to do by the U. S. District Attorney, went directly to the vessel, boanle her, and unceremoniously arrested the captain and mate by presenting pistols to their heads, and threatening their lives if they attempted to leave port. The captain entered into a parley with them, and after considerable conversation in private, agreed to provide them with a large sum of money if they would consent to let him go his way. The Deputy Marshals, ardent in the pursuit of duty

FOR PRESIDENT, JOHN BELL, OF TENNESSEE.

FOR VICE-PRESIDENT, EDWARD EVERETT, OF MASSACHUSETTS.

THURSDAY, MAY 17, 1850. of John Bell at Philadelphia which we publish in full to-day. The telegraphic abstract of it turnished no mark of its real breadth, dignity,

e stirely by the press of interesting matter per November to discuss with freedom all the topics of the hour. The ranyass will be long enough at best or worst. Properly, indeed, the present is at any rate a period of proclamation and of preparation rather ilmn of positive conflict. We may well consent to rest tranquilly on our arms whilst the heralds are still proclaiming the conditions of the battle. the Union Presidential ticket; one from our special correspondent at Baltimore, which though late is not unseasonable, and the other from our ever-welcome and brilliant Washingheers], but the speaker was certain that a jurer ml more virtuous man had never been presented ton correspondent. We need not further com and either to the attention of our readers. BuyCKINRIDGE .- We see that efforts are being

apossible to nominate Judge Donglas," Now i h ice in the matter; and in the second place and only possible, but certain, that the Little as the friends of this gentleman now profess, New York Leader.

GOV. HUNT AND THE BALTIMORE NOMINAthe proceedings of the Biltimore Convention patches, we said that-"Ex-Gov. Hunt, on behalf of the party in this

that no intelligent Constitutional Unionist ev

Democratic journals amongst us. We suppose narbored it for an instant. The New York Leader, a violent Don

as journal, perpetrates the following epigraon the Constitutional Liuion Convention-

Just by way of taking after the Leader, beg to offer the following which a friend with

preceding volumes. The work is a great one, and greatly does it progress. Its completion will shed lustre on the country and the century

The agent of the Cyclopædia in our city is F. A. Crump. The Chicago correspondent of the Cineinnati Commercial says: Great and general confidence is expressed i succeess before the people. This increases the difficulty of nominating. If it will relieve the embarrassment of the its "confidence" is ridiculously overweening.

Convention in any degree, we can assure it that A little seven-by-nine R publican sheet in Wiseonsiu asks boldly: "Wno is Enward EVERETT?" With what eminent fitness Mr. Everett (if his modesty would only allow him) might say to this sheet and its renders: Not to know me argues yourselves unknown, The lowest of your throny.

The best and most delightful beverag which ever passed the lips of man is made up of those crystal drops which might well l called milk from the bosom of mother earth. There will be a strong effort in the "Nation al Union' convention at Baltimore next week, it adjourn over till after the Democratic and Republican nominations. That course will probably only prevent a split, and postpone a fizzle.

Springfield Republican, 5th inst. There the reputation of one prophet went

beautifully to pot. A Chicago letter writer says Seward' friends "are willing to buy." No doubt of that. They are willing to buy, and not ufraid

There is a young woman living in Alstead, N. 11., who weighs over 700 pounds, and takes about 20 yards of calico for a dress.

Scottsville (Va.) Register.

We shouldn't blame this expensively volumin ous young woman for dressing in the fashion. Last evening just before sunset n rainboy as vivid us the newest ribbon in Madame

Michot's was drawn over the arch of the sky from spring to spring. If we may judge from our rather cursory examination of the illustrated papers, Heenan

has received some of his worst cuts since he left the ring at Farnt grouph.

In the midst of the universal uprour of enthurties the ring at Farnt grouph.

Not so had those his fancy number d. The chiefs whose dust around him slumber'd. They fell deveced, but undying: Gen. Sectt, i' i ai , anneances him elf Gen. Coombs, of Kentucky, arose and called The woods were propled with their fame; Gin favor of the Constitution al Pidon no nontion at Baltimore." Not ing could be more per's report:

like the illustrious chieftaiu and patriot.

MR. BELL IN PHILADELPHIA.-We learn various States had spoken concerning Edward. The meanest rill, the mightiest given from the North American that among numerous highly influential citizens of Philadelphia the nomination of the 110n. John Bell for the The RIPHON PRIVES IN VINVANCE.

Journal de ivered in the city, who shall find pall with three ity, who shall find pall with the city and the three ity and the pall with three ity, who shall find pall with three ity and the pall with three ity, who shall find pall with three ity and the pall with three ity and the pall with Mr. Bell, for some days past, has been sejourning, with his family, and his presence there affording the convention the front, and force and beauty and the holes to her, and her honored son, with a force and beauty and the life is lost, or freedom won. Ring out your old clarion nates, or the days have the honored son, with a force and beauty and the honored son, with a force and beauty and the honored son, with a force and beauty and the honored son, with a force and beauty and the honored son, with a force and beauty and the honored son, with a force and beauty and the honored son, with a force and beauty and the honored son, with a force and beauty and the honored son, with a force and beauty and the honored son, with a force and beauty and the honored son, with a force and beauty and the honored son, with a force and beauty and the honored son, with a force and beauty and the honored son, with a force and beauty and the honored son, with a force and beauty and the honored son, with a force and beauty and the honored son, which is presented the honored son, with a force and beauty and the honored son, with a force and beauty and the honored son, which is presented the honored son, with a force and beauty and the honored son and the honored son

> lors ever since his nomination line been ity.
>
> leannot and am not prepared to speak definitely, On Friday night, long anterior to the arrival of but all I can say is that if my illustrions friend

lors ever since his nomination like been througed with visitors.

On Friday night, long anterior to the arrival of the procession, the rotundas, sitting-rossus, and the procession, the rotundas, sitting-rossus, and the procession and seen that the procession of the held were filled with goal descendent and seen hour faces, and heard seen here and seen hour faces, and heard seen here rain beam and most prepared to speak definitely, the fall I can say is that if my illustrious friend the procession, the rotundas, sitting-rossus, and described the procession and the most continued the procession of the held seen here and seen here for the South-hours and lording and the entire width of Broad street, in the stepsof the house opposite windows were crawded with Ladies, from garret to parlor, far become ear-thou of the speaker. After the load of lad discoursed a number of antional airs—

The Hou I household is a manuface of antional airs—

The Hou I had constructed the same here in the step of the said) of the high learner be enjoyed of timedicing in these present the Hou. John Bell, of four severe the entire of the parlors open, and addressed the audience, He was proud the said of the high learner be enjoyed of timedicing in these present the Hou. John Bell, of four severe the entire of the parlors open, and addressed the audience, He was proud the said of the high learner be enjoyed of timedicing in the parlors open, and addressed the audience, I be was proud the said of the high learner be enjoyed of timedicing in these present the Hou. John Bell, of four the parlors were the said of the high learner the enjoyed of timedicing in the parlors of the

the Union and Constitution everywhere, and mite in the choice of the distinguished statesman now present. [Cheers. We will, we will.]

But let me tell you that we are men.

At this point a number of bouquets were thrown to the speaker from the ladies galleries, which were handed to him by the President amid boul. Were not congratulating him upon having received the nomination, but ourselves that so extent a selection has been made—that a gentleman tensor in the selection has been made—that a gentleman to making to those in the past of the manifest peace of the past of the pa to me as a hint that I am making too flowery a such ability and purity should have been pre-uled to us. This assemblage may not know a ceat deal personally of Mr. Bell [Yes we do, and have not only the thews and sinews of men, but to have good, honest, national, patriotic hearts beating in our breasts, and the pulse of a generaml more virtuous man lead never been presented to the American peoply. It was with great satisfiction that the speaker endorsed Mr. Bell as essentially connected aml identified with the best interests of Pennsylvania. He understands our wants, our necessitios for a tariff, and the wants of our iron manufacturers, and of all men in the country he has been the first to support and the last to desert them. [Immense applause.]

It was hardly to be expected that, under the circumstances, Mr. Bell should respond to every summons, and prejulice his health and usefulness by attending to every demand upon his time and

entleman was now present to thank them for the of Constitutional doctrine (language and applause), and we have kept it manifully, and, gentlemen, With inky blots, and retten parchment bonds: ordianty manifested on time occasion.

By EECH OF Mr. Bl.l.

By Each of the material atmosphere around me is not of the most latmosphere around me

sille of the compliment which you have paid me to-night. A large portion of you, I thatter myself, have paid me this compliment in approval of the proceedings of the Baltimore Convention, which has just adjourned. [Loud cheers,] know it is impossible that I alone can have caused this large assemblage. I have been put forward warm as assemblage. I have been put forward warm assemble that I alone can have caused this large assemblage. I have been put forward warm assemble that I alone can have caused this large assemblage. I have been put forward warm assemble for violent fires soon birn onl themselves:

Small showers last long, but sudden storms are conductions and their convictions and their convictions and their sentiments; men who could that no party that responded to their convictions and their sentiments; men who could that no party that responded to their convictions and their sentiments; men who could that no party that responded to their convictions and their sentiments; men who could that no party that responded to their convictions and their sentiments; men who have abstanced from voting in many cases.

Single for violent fires soon birn onl themselves:

Small showers last long, but sudden storms are conductions and their convictions and their co

To the Editors of the Louisville Journal:

Ah! my dear Journal! Now for your old trun pet notes once more! The Constitutional Unio Yes, dear Journal' That Bell, our Bell, will te

ancient character; [cheers,] and lhat party discussions of questions of domestic and foreign policy should be national. [Cheers,] I should regard it as a hopeless undertaking to attempt to restore harmony to this country, if I did not believe it to be a fact that the large majority of the people, both of the Democratic and Republican party, are conservative in their feelings, love the I nion, and will not do anything wilfully or with premeditation that may tend to its destruction, or to the introduction of anarchy and the overthrow of our clorious Constitution. [Applause.] I trust that the masses, that the majority of both parties are sound; that they love the Union, as I do, both North and South. There are extremists, however, in both sections, who, though they may love the Union, have a most unfortunate mode of manifest—

nion, have a most unfortunate mode of manifestnion, have a most unfortunate mode of manifestng il. [Laughter and applause.] I wish to say
othing that could disturb the composure of their
cellings, if there he any of them in this assembly
onight, much loss their friends and advocates,
that I regard the waight to the Deputition party of the property of the prope Shall sink in my rebuke."

And soon, soon shall the guilty demagogues and the majority of the Republican party and the majority of the Republicant party

this government in relation to these questions, inspirations how mean and riotous sectionalism shall have not labored in vain. [Applause.] will sink rebuked. The demagage of discard, will sink rebuked. Fellow-citizens, I will not enter into a discus-ion of these topics. My course in regard to them or the last twenty years is well known; and not cowered before the silent reproach of his "sheeted" or the last twenty years is well known; and not all year my sentiments known in regard to these uestions, but in regard to every other question of domestic policy, as well as of foreign policy, so ar as concerns its general principles. [Loud applause.] I tender you my cordial thanks, and I rust that the period is not very remote when the clory and the honor and the true interests of this great country will be the only objects that actuate the great parties that will exist hereafter.

The fame that could accure to him, The first how faint and feetly dim

The fame that could accrue to him,

Loud applanse.]

Speech of the Hon. George S. Hillard

A traitor in a turban'd horde;

And led them to the liwless siege, N THE CONSTITUTIONAL UNION CONVENTION. Whose best success were sucrilege. Everett as a candidate for the Vice-Presidency,

ent Mussachusetts. We quote from the Clip-

Gen. Leslie Coombs, of Kentucky, said that Their memory sparkled o'er the fountain.

CORNER OBESTNUT AND NINTH STREETS. Opened February, 1860. This magnificent establishment, now in successful operation, is universally conceded to be in all respects

in that city, and his presence there affording the proper opportunity a serenade was given to him on Friday night by his admirers and friends, who marched in torchlight procession from the Constitutional Union Association's Headquarters to those of Mr. Bell, whose parlors ever since his nomination like been that the proper opportunity a serenade was given to him on Friday night by his admirers and friends, who marched in torchlight procession from the Constitutional Union Association's Headquarters to those of Mr. Bell, whose parlors ever since his nomination like been the proper opportunity a serenade was given to homored son, with a force and beauty and the proper and beauty and the proper opportunity a serenade was given to homored son, with a force and beauty and the proper opportunity a serenade was given to homored son, with a force and beauty and the proper opportunity a serenade was given to homored son, with a force and beauty and the proper opportunity a serenade was given to him on Friday night by his admirers and friends, who marched in torchlight procession from the Constitutional Union Association's prepared to say whether Edward Everett will never the tomb of Henry Clay, and its foild schall be interwoven with kindred flags streaming from Mount Vernon, from Mount Vernon, from Mount Vernon, from Mount Vernon, from Machinella, with all the trophies of our private the proper opportunity a serenade was given to him on Friday night by his admirers and friends, who marched in torchlight procession as whether Edward Everett will never the tomb of Henry Clay, and its foild schall be interwoven with kindred flags streaming from Mount Vernon, from Moun

the following gentlemen were elected Directors:
John G. James, Robert B. Hamilton, Henry W.
Reed, John A. Price, and Sunire Bassett.

Weather being calm, and carried her outside of the reefs.
She remained in company with the brig until tion, held at their backing house in Lexington, American brig Pedra Sanchez, Daby, in tow, the Reed, John A. Price, and Squire Bassett.

At a meeting of the Board the same day John G. James, Esq., was manimously re-elected President.

She remained in Company with configuration of she only in the offing heading for the land, she cast off the brig and made chase. There being no wind, the sail which proved to be a bark was speedily approached. She was evidently an American built vessel.

Arranged Alphabetically in Regard to BUSINESS WAMES.

Submaring Invasion of England—1 Tunnel from Colois to Dover.—The Philadelphia Gazette, speaking of Louis Napoleon's various schemes for humbling the power of England, says:

But the latest scheme aunonneed is the greatest. This is the construction of a submarine read or the state of the scheme aunonneed is the greatest. This is the construction of a submarine read or the state of the scheme aunonneed is the greatest. But the latest scheme aumounced is the greatest. This is the construction of a submarine read or tunnel between Chais and Dover.

This project is not new. It dates back to the last decade of the last century, and it has an intervals occupied the attention of the allest scientific engineers, both civil mad military. The first detailed plan was elaborated by a French mining engineer, Mandiller, and presented to the First Consult in 1802, alout the time that the short-lived peace of Amiens was patched up. The vigilance of the English cruisers prevented any action being taken English cruisers prevented any action being taken in the matter during the rei of the great Emperor. But after his dethronement, and the restoration of peace, the avengers of Waterloo claums to the idea of reaching England under water, it not above it; and several eminent Treach engineers from time to time Irid plans for a funnel. Buring the construction of the Thames Tunnel, but the Lete Marc Isambard Brunel (himself a Frenchman), a number of French engineers were in England studying the remarkable ingenious contrivance by which he accomplished his project; and he was consulted as to the practical lility of a proof run for St. Thomas where she required.

—a signal that she was a slaver and a prizo. The moment that the slaves, who had just been driven below, caught sight of the officer's uniform; (the harteless were covered with gratings only), they song and clapped their hands with joy, they instinctively knew that their deliverers were at land. The vessel was at once taken possession of lay Capt. Craven, a prize crew put on board, the officers and crew transferred to the Mohawk and laken in tow, they hended for the Florida Keys.

The bark proved to be the Wildlire, a handsome elipper, built in Philadelphia in 1855. She sailed from New York on the 16th December, 1859, with an American crew for the West Indies.

the words of Gen. Uraga's report, "the Second Corps of the Reactionary army no longer exists," To say nothing of the losses on the baltle field, during a well contested engagement of four homs and a half, more than a thousand prisoners fell into the hands of the victorious army.

This brilliant engagement took place about half way belween the cities of Zacate2as and San Luis Potosi. The Liberal forces engaged were the Brigade Curvajal, under the command of that officer, and the brigades of Morelia and Gananjuato, under the command of Cols, Regules and Aufillon. They numbered in all some 3,000 to 4,000 men. under the command of Cols, Regules and Antillon.
They numbered in all some 3,000 to 4,000 men.
The reactionists engaged were the forces recently in possession of San Luis, and numbered in all some 4,000 men. They were supported by eighteen pieces of artillery, and had the choice of ground, for which purpose they had sallied forth from the city, immediately upon hearing of the advance of the enemy.

An aperient and stomachic preparation of

IRON purified of Oxygen and Carbon by combustion in Hydrogen, of high medical author ty and extraordinary efficacy in each of the In s TISM. MERCURIAL CONSEQUENCES, INTER-MITTENT FEVERS, NEURALGIA, CHRONIC HEADACHES, FEMALE WEAKNESS. MIS-IMPLES ON THE FACE, ROUGHNESS OF The IRON being absorbed by the blood, and part of the body can escape their truly wonder-The experience of thousands daily proves that no preparation of Iron can for a moment be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions indicate its necessity in al most every conceivable case. In all cases of female debility (fluor albus, chlorosis, etc.), its effects are delightfully renovating. No remedy has ever been discovered, in the whole history of medicine, which exerts such prompt, happy, and fully restorative effects. Good appetite, comwith an unusual disposition for active and cheerful exercise, immediately follow its use. As a grand stomachic and general restorative ROOFING, it has no superior and no substitute. Put up in neat flat in that hoves containing 50 pills, price 50 cents per box; six boxes, \$2 50; one dozen boxes, \$4 00. For sale by Druggists generally. Will be sent free to any address on receipt of the price. All letters, orders, etc., should be addressed to Liquid Gutta Percha
